

FAA Medical Services - What is new?

Dr. Gregory Pinnell is a board certified Family Practitioner and Senior Aviation Medical Examiner in Saginaw, MI. He serves as a Senior Flight Surgeon for the 45th Space Wing at Patrick Air Force Base as Deputy Chief of Space Bioastronautics for Human Space Flight Support serving NASA and Commercial Spaceflight. Dr. Pinnell serves as adjunct professor of teaching Aviation Physiology at Western Michigan University College of Aviation. Come, hear it, and get answers from the expert.

Directions: The FAA Safety Center Forum is located next to the Air Traffic Control Tower.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
